Namaste!

We enjoyed the warm, nice summer and soon we will have a colourful and most beautiful autumn to soak in the remaining heat of the sun, just in time to pump our bodies with energy and vigour to last the whole winter. In the same theme of filling our bodies with energy, we will organise Navaratri when we invoke 'MA DURGA, SHAKTI & JAGADAMBA' to grant us positive energy and destroy the ills of laziness, jealousy and ignorance. MA is eternal source of energy and even DEVAs went to her before going to the war with demons. She is also very generous and bestows each and every one with her 'Krupa'. But as the saying goes, 'God helps those who help themselves', we must do our part.

Also, traditionally, we invite MA to play with us in Garba and Raas. Well, it will be an insult to her if we invite her to play with us and just remain seated. We Gujaratis know better, don't we ?

See you all on the Garba floor, may MA Bhagwati fill you with energy and enthusiasm!

Moving on to Diwali, as you must have noticed that interest in our Diwali show is growing and more and more people want to participate, even our seniors. Isn't it wonderful? Of course, it is.

Although we would like to include everyone in the program, we can't stretch our program anymore. To avoid the disappointment and if you are interested in having any article, advertisement or any other material being published in our annual Diwali Ank, **please contact any cultural committee member.**

For Diwali Show entries as well as for the submission to the Ank, please contact us latest by **October 21, 2013.**

Thanking you,

The Executive Committee

Happy Navratri
